

## ToP Strategic Planning – 2 day workshop

Learn how to conduct strategic planning resulting in group consensus. The course shows you how to weave the powerful ToP Facilitation Methods into an integrated approach to strategic planning. The resulting plan is realistic, achievable and easy to monitor.

### Outcomes

- **Align** organization members around common goals and strategies
- **Identify** well-focused actions that lead to big breakthroughs
- **Enable** a group to come to a common vision and own the resulting plan
- **Weave** together the basic tools to address complex meeting requirements
